

Ottawa Rowing Club - Athlete Fund Request for Funding

On behalf of the Ottawa Rowing Club, we would like to thank you for your interest in participating in one of our rowing programs.

The application form is used to identify rowers in financial need who are interested in participating in either a recreational or competitive rowing program. Our goal is to help those athletes that would not have otherwise been financially able to participate in one of the many programs the ORC has to offer.

Listed below are the general funding guidelines for the Ottawa Rowing Club Athlete Fund:

- Generally, a pool of funds will be available to split between each successful applicant. The total amount provided to an athlete depends on whether the prospective candidate is participating in a recreational or competitive team; the size of the fund in that respective season; and the number of applicants.
- Applications will only be accepted if the applicant can demonstrate that they have applied for the following [Individual Child Grants – Jumpstart](#) and any of the following: [Home - KidSport Ottawa](#), [Their Opportunity](#), [Kiwanis Club of Ottawa](#), and [Maverick Youth Opportunities Fund](#). (Info on these applications can be found on the ORC's Athlete Fund webpage)
- Multiple children within the same family can apply (separate forms must be submitted for each child).
- Funds are allocated directly to the club on behalf of the athlete, the email used to register the athlete will be notified of any credits allocated to the account.
- Application Deadline: **September 15, 2026**
